

24th June 2026

Dear Parents / Carers,

Current weather forecasts are predicting extreme temperatures this week, and the UK Health Security Agency (UKHSA) has issued a Red Heat Health Alert.

Following careful consideration, the decision has been made to **close the school on Thursday 25th June**. Temperatures are expected to be even higher tomorrow, and classrooms will become increasingly uncomfortable throughout the day. Despite exploring a range of measures to manage the heat and maintain a safe learning environment, we believe that temporary closure is the most appropriate course of action to safeguard the health, wellbeing and comfort of our pupils and staff.

We appreciate that this decision may cause inconvenience for some families; however, the safety and welfare of our school community must remain our priority. We are grateful for your understanding and support during these exceptional circumstances.

Thank you for your continued support.

Yours faithfully,

D Marusamy
Headteacher
