

Happy Easter Everyone!

I would also like to extend my thanks to the children for all of their hard work throughout the Spring term, and to our wider parent and carer community for your continued support.

A big *well done* to everyone who took part in our Design and Technology Easter Basket competition. The judges (D&T Ambassadors) found it incredibly difficult to select winners because the standard of entries was so high.

Please see our winning entries below:

EYFS	Tyler
KS1	Alisa
KS2 lower	Kiara
KS2 upper	Sanvi

A Stars

Our Year 3 pupils took part in a 'Walk Safe' workshop this week, followed by a walk around the local area to put their new learning into practice. The children learned important skills about how to stay safe as pedestrians. This links directly to one of our core school values: **to be safe** not only in school, but also within our wider community.

Walsall Rotary Club Young Writers Competition

A huge congratulations to our incredible winners, who wrote beautifully about happiness in nature. The Mayoress of Walsall presented the awards.

1st Place – Estelle (Year 4)

3rd Place – Hadia (Year 6)

3rd Place – Jay (Year 4)

Staffordshire Cricket Course

Our Staffordshire Cricket coach has now completed the 5-week cricket programme with our pupils. As always, we received wonderfully positive feedback about the children's developing cricket skills, teamwork, and enthusiasm.

British Science Week

To celebrate British science week, all pupils got to take part in an experiment in class. This was an opportunity for pupils to plan experiments and look at what is needed for a fair test. Pupils in Year 1 looked at solids, liquids and gases, they looked at using heat to change a solid. We hope that this week has inspired our future scientists.

We had a wonderful day celebrating **World Book Day!** Pupils and staff enjoyed dressing up as their favourite book characters, bringing stories to life across the school.

Children were excited to welcome the Gangsta Granny gang, who visited classrooms searching for "items of value," much to everyone's amusement!

Our celebrations continued at lunchtime, where our Alice in Wonderland themed kitchen team surprised pupils with their fantastic costumes.

A special moment of the day was when the doctor met Mrs. Bump in Reception, ready to offer any "first aid" needed!

Reading at Home Please remember to read with your child daily. This will not only support their reading progress but also support their well-being.

Encourage your child to read for pleasure too! Developing a love of reading truly makes a difference.

Bug Club Online Every child will be given a login for Bug Club Online. This fantastic resource gives children access to a wide range of free books and many of them can be read aloud by the system too! Please log in with your child and explore the books available.

Congratulations to **Year 4** for achieving 96.2% attendance for the month of February.

Target good attendance = 96%

Key dates for your diary

13.04.26—Forest school Y4
14.04.26—Y2 visit to Walsall college
15.04.26—Y5 trip
20.04.26—Forest school Y3

21.04.26—AStars parent and pupil local walk
27.04.26—New after school clubs start
