

As we come to the end of another successful academic year, I would like to take this opportunity to thank all of our children for their hard work, dedication, and enthusiasm throughout the year. It has been a pleasure to watch them grow academically and develop into kind, respectful, and caring members of our school community.

This year, our whole-school focus has been *"words have power."* It has been wonderful to see pupils develop a greater understanding of the impact their words can have on others. They have learned that words can encourage, inspire, and build confidence, but can also cause hurt and discourage others. By choosing positive and respectful language, our children are helping to create a stronger and more supportive school community.

Our school has enjoyed many memorable experiences this year, including educational visits, Forest School sessions, STEM Days, Disco Dodgeball, Staffordshire cricket lessons, school fairs, theatre performances, History day and many other exciting opportunities that have enriched our curriculum and brought our community together. We would like to wish all of our children and families a safe, happy, and restful summer holiday with family and friends. Thank you for your continued support throughout the year. We look forward to welcoming everyone back when school reopens on

Thursday 3rd September.

Congratulations to our Class of 2026 (Year 6) pupils on receiving their special Oscars awards. Each award recognised the unique strengths, talents, and qualities that make every child shine so brightly.

A special thank you goes to our wonderful hosts, Anayah and Zakria, who did an outstanding job presenting the ceremony with confidence and enthusiasm.

As they begin the next chapter of their educational journey, we would like to wish them every success and happiness. We know they will continue to achieve great things, and we are confident that the memories, experiences, and friendships they have made at Butts will stay with them for many years to come.

Goodbye, Year 6. We are incredibly proud of you and wish you all the very best for the future.

Live Music Performance

Pupils thoroughly enjoyed a special enrichment music assembly, where they had the opportunity to listen to a live band perform a range of popular songs. Favourite hits such as *Thriller* and *Soda Pop* had everyone singing along, clapping to the beat and smiling throughout the performance. The session was both inspirational and memorable, sparking excitement among our budding young musicians and encouraging a love of music and performance.

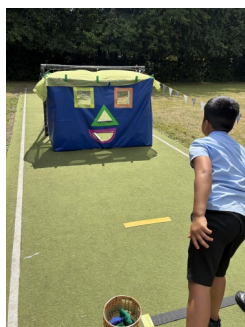

Summer Fete

We would like to thank everyone for supporting our Summer Fete this year. It was wonderful to see our school community come together, have fun, and help raise money for the school.

Thanks to your generosity and support, we raised **£800**, which will be used to purchase additional resources for our pupils. The wide variety of games proved to be a great success and was enjoyed by children and families alike.

The raffle winners will be drawn during Friday's assembly.

Thank you once again for your continued support.
